EVENING MEN'S GROUP THIS WEDNESDAY

We are starting a *second* Men's group at St. Andrew's!

This is ***not*** intended to replace the Saturday morning men's group, but is being offered in addition to that group in order to accommodate men who, for whatever reason, are not able to meet on Saturday mornings. This group is open to all men of the parish (21 years and older) who seek spiritual growth, fellowship and fun! This is also a great way to introduce others to our parish, so feel free to invite a friend to join us!

We will be meeting over the summer, once a month, on the second Wednesday at 7pm. The beginning of each meeting will start with socializing and fellowship and conclude with spiritual growth centered toward men and some of the challenges we all face in life. Food and beverages will be provided, as well as a copy of the book we will be studying for the summer - *Slaying Your Goliaths* by The Rev. John Ohmer. Our first meetings are scheduled for June 13, July 11 and August 8 at 7pm.

There are sign-up sheets in Engle Hall.

Please sign-up so we know how much food to prepare and how many books to order. Those who sign-up will be notified when the books arrive so that we can read the first 2 chapters ahead of time and be prepared to discuss. We hope to see you there! For more information please reach out to Father Tony

(tony@standrewsomaha.org) or Blake Zogleman

(Blake.Zogleman@gmail.com)

CAMP CANTERBURY

JUNE 2019 “FAMILY’ MISSION TO THE DR

There is great interest and response to our June 2019 Family Mission to the Dominican Republic. Only a few spots remain before our “Family” mission team is filled.

We are all invested in the continuing success of this most special ministry.

Members of the Mission Travelling Team will each give one week of their time and a minimum of \$500 to live and work in the community of San Francisco de Macoras.

Others have asked how they can help as a member of our Mission Home Team.

There are two important ways our Mission Home team can help at this time. The first is becoming our Mission Prayer Partners. These prayers are so very important, and especially to first-time Travelling Team members.

The second important way is through financial support. The true success of this ministry always rises from a completed project. We can only do this with our Home Team support.

The estimated cost of materials to paint and repair Jesus Nazareno Church is \$3000 US.

We have also been asked to provide playground equipment for the pre-school operated by the church. Missionary Charlie estimates the cost of this playground equipment will be \$300 US. Our team will put this equipment together for the children.

The true success of this mission will lie in the heart of our Mission Home Team. As you are able, and if you hear the call to help, please make your checks payable to St. Andrew’s and indicate 2019 Family DR Mission on the memo line and give them to Don or Melissa Peeler (or place them in the Offering Plate).

MEAL TRAIN

Do you know a church member who just had baby, surgery, death in the family, or you simply need assistance for a personal situation? St. Andrew’s is here for you. We are also starting a rotation of Meal Train Volunteers. If you would like to be a part of this ministry or be a recipient of this ministry please contact Niki Rodawig at niki@rodawig.com or 402-415-3635

AUGUST GARAGE SALE

A plan is being put in place for a "garage sale" to take place one or at most two days in early August. This will replace the "Odds and Ends" sale. If you have items you would like to donate, please bring them to **the parish hall after July 1st. Please do not bring items in June.** Unfortunately, the church is no longer able to pick up larger items. Please make your own arrangements should you wish to donate any item you cannot bring down yourself.

Episcopal Church Women News and Announcements

All information related to what the women of the church are doing can be found on the church website, Facebook page, and the supplemental handout that can be found at the back of the church and chapel. ECW ministries are supportive of women and children in the community and beyond. To learn more about what ECW is doing ask any woman in the church! We welcome everyone to join our monthly events and meetings. For more information you may also email Communications Director Tara O'Shea at taraoshea.swim@gmail.com

COFFEE MUGS

If you haven't stopped by coffee hour you have missed our new St. Andrew's Coffee Mugs. The 12oz mugs have a black exterior with a red interior. Our name and location is printed in white on the exterior.

We purchased a sufficient quantity to use in our updated Welcome Bags, as well as making them available for you to purchase. We are suggesting a \$10 contribution which gives you a mug to take home and pays for one mug to be used at church. If you write a check, just put MUG in the memo line. We hope everyone enjoys refreshment in our new mugs!

DEAN FRICKE FOOD PANTRY

The items most needed right now are mac and cheese, jelly IN PLASTIC CONTAINERS, and 7 1/2 oz. individual meals, like ravioli, spaghetti, or beanie weenies.

HABITAT FOR HUMANITY WORK DAY

St. Andrew's Habitat for Humanity work day is September 15. More details will follow at a later date. In the meantime, contact Phil Pierce with any questions.

REFLECTIONS FROM THE PEW BY DAN SITZMAN

A documentary movie about PBS icon Fred Rogers hits some theaters this weekend. The reviews state that the movie includes interviews with Rogers' wife, his two sons, and his longtime casts and crews on the PBS series Mister Rogers' Neighborhood. Rogers could be cranky sometimes. But more often, everyone in the documentary speaks in awed tones about a man who practiced what he preached: greeting each new day with wonder and always endeavoring to treat other people kindly. When asked if his father was ever angry at home, his son replied that his father was as patient as Christ.

In this Sunday's lessons, we hear of strife and of the calamity going on around Jesus. However, Jesus is steady and calm. When juggling the many tasks to do in our own home or at work, while hearing the name calling and self-promoting that frequently is found in current news stories, what will I do in the coming week to be neighborly, patient and kind to others?
